

# Rees Presidio “On the Go” Web Browser

## Deleting Contacts from Call list

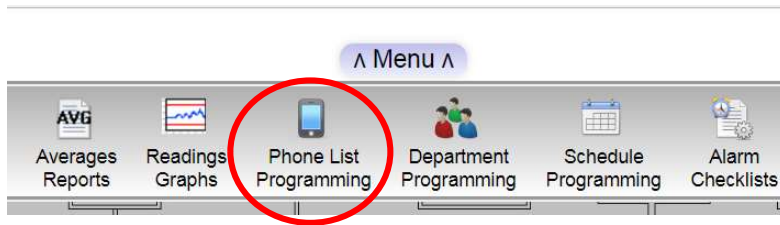

1. To access the Rees system, you must be on the NIH network (either onsite or VPN).  
Type in your URL 165.xxx.xx.xx into the bar at the top of any web browser.
2. Log in to the Rees system with your lab’s user name and password.

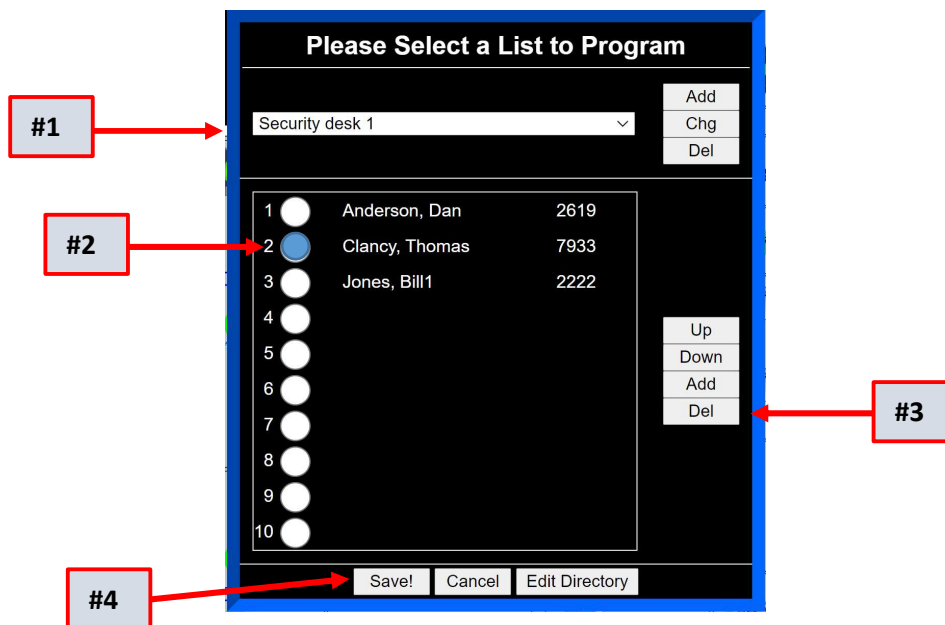

3. Select menu on the top of the status page screen.

4. From the menu option select “Phone List Programming”.

5. Select your lab’s program from the drop-down menu. To delete contacts from the emergency contact list, select the circle next to their name, click “Del”, and then “Save!” (In this case Thomas Clancy will be removed)

6. Contact Thomas Clancy was removed from Security desk 1 call list

**Please Select a List to Program**
